For the Information of the:
CITY COUNCIL
Date 8/19/24 CA CC
CM ACM DCM (3)

Dear All,

This is regarding your code of ethics & public service and my district 1 representative.

I did not vote for Melanie Burkholder. I did not support her political party. I did not give any of her many campaigns a single nickel, no matter what she ran for. In fact, I often supported her opposition - vocally, financially, and via yard signs.

And yet ...she responds promptly when I contact her. I have seen her bring forward unpopular district 1 concerns, not because they are her own or she is parroting her political party's agenda, but solely because they are her constituents's concerns. Time and time again, she has demonstrated what the code of ethics and public service should be.

So how about putting in your code of ethics to put all the party games aside and focus on constituents instead of the next rung on your own ladder?

Councilmember Burkholder has been the nicest surprise and I commend her for it.

Sincerely,
Julie Ajdour
