Hello,

I have two questions concerning the agreement between the City of Oceanside and the State Encampment Resolution Funding Program Grant:

1. Addressing Individuals Refusing Outreach Services:

How does the City plan to manage individuals who decline outreach services yet continue to establish encampments and loiter in public spaces?

2. Funding for Continuous Removal Efforts:

Will the grant cover the ongoing removal of encampments for individuals who refuse services? If not, what steps will the City take to handle the removal of such encampments?

Thank you.

Best regards,
