Mayor Blackburn and City Council

I'm writing to express my objection to the City Manager Tuesday Item 5 recommendation that we revise the City Charter to remove the requirement that the City Manager reside in Carlsbad. The reason for residency requirements is obviously so that the person who holds the position understands and prioritizes the needs of the residents of Carlsbad .

I am shocked that the present City Council approved a salary for this position that is 100K more than the salary of the President of the US. We need new leadership on our city council. When balance is lost corruption moves in.
