

# Grilling Safely Fire Tips

for Multi-Family Residences

Nationally, grills start 10,600 home fires each year.

**We don't want this to happen to you!!!**

**Charcoal burners and other open-flame cooking devices shall NOT be operated on combustible balconies.**

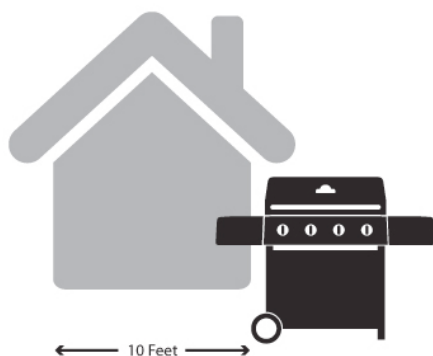

EXCEPTION: Allowed if building and balconies protected with fire sprinkler system

**5-Gallon sized Propane cylinders are prohibited on balconies.**

**Cylinder size is limited to 1-pound size on balconies above the first floor.**

## Set-Up for Safety

Position the grill well away (at least 10') from the building, deck railings and out from under eaves and overhanging branches.
