

PREVENT **FATS, OILS AND GREASE (FOG) FROM CLOGGING SEWER PIPES AND CREATING COSTLY REPAIRS AND SPILLS.**

NEVER

Pour grease down the sink

Dispose of food waste into the garbage disposal

Hose off kitchen floor mats outside

To report sewer overflows outside of your facility, contact the City of Carlsbad's Wastewater Division at

442-339-2722

WATCH THIS TRAINING VIDEO TO LEARN MORE ABOUT FOG REQUIREMENTS.

ALWAYS

Scrape and wipe pots, pans and work areas before washing

Dispose of food waste directly into the trash

Store used grease in proper receptacles for collection – keep area clean

Use dry methods to clean up spills

Install drain screens and keep them clean

Clean mats inside over a utility sink
